Reasons for excisions:

Five excisions to the feature and the removal of the trailer *Shooters* are required. With this trailer included, the publication tends to promote and support the use of urine in association with sexual conduct and is deemed objectionable. The trailer also contains highly degrading, dehumanising and demeaning sexual conduct. The remainder of the excisions remove brief but strong sequences of degrading, dehumanising and demeaning sexual conduct from the feature, involving aggressive and contemptuous behaviour by the men.
